

Redwood Coast Transit Authority  
Maintenance and Operations RFP – Addendum #1 Supplemental  
Clarification Note  
October 11, 2016

Different Attachment 3 in Final RFP versus Pre-Release Review Version

A Question was received about a lingering reference in Section 1.3, Page 26 of the Final RFP, referring to a form in the original pre-release RFP labeled Attachment 3 and named "Schedule of DBE". That form was deleted from the Final RFP, and replaced with a requested copy of the incumbent contractor's monthly invoice.

Additional direction for bidders in regards to DBE on this procurement was then provided on Page 1 of the Final RFP, as follows:

CONTRACTOR shall document their efforts to obtain DBE and small business participation. There is no formal DBE goal for this procurement, but CONTRACTORS should document a *good faith effort* to enlist DBEs. There are no DBEs currently utilized.

Please ignore reference to a DBE Schedule as Attachment 3.
